IN RE:  VCI COMPANY	DOCKET NOS. TCU-04-13 TF-04-400
	CERTIFICATE NO. 0287

**CERTIFICATE**

(Issued December 1, 2004)

On September 10, 2004, VCI Company (VCI) filed with the Utilities Board (Board) an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29. Also on September 10, 2004, VCI filed a proposed local exchange tariff that contained the terms, conditions, and rates for local exchange service and listed the exchanges where VCI intended to provide service. Revisions to the proposed tariff were filed on November 12, and 23, 2004. The proposed tariff and revisions have been identified as TF-04-400.

An order approving the application and the proposed tariff, with revisions, is being issued concurrently with this certificate. Since VCI will have an approved tariff to provide local exchange service, the Board will issue Certificate No. 0287, authorizing VCI to provide local exchange service in the listed exchanges.

**IT IS THEREFORE ORDERED:**

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (2003), authorizes VCI Company to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
